

MUSIC SUPPLEMENT FOR LUTEZINE TO LUTE NEWS 156 (JANUARY 2026): LA FOLIA - LA SARABANDA - COURANTE SARABANDE & MORE PICCININI

MORE PICCININI

To accompany the supplement in *Lute News* on music for archlute and chitarrone by Alessandro Piccinini (1566-*c.*1638) here are additional sources of P4/P9/P11 and three more unica P23/P24/P25, ascribed *AP/ATP* presumed to refer to Piccinini.¹ The three unica are from a chitarrone manuscript notated with complex rhythms that have been reproduced as accurately as possible but present problems regarding exactly how to play them. Most of the music here (and in the *Lute News* supplement) is for lute/archlute (that is in renaissance/vieil ton tuning) and nearly a third in total are designated as for chitarrone, synonymous with theorbo and employing reentrant tuning with the upper two courses an octave lower. All the music is also from sources in Italian tablature (apart from P9a/P12 are in French tablature) transcribed here into French tablature. Although it would be more authentic to play the music from Italian tablature, I think that there are sufficient players who do not sight read Italian tablature for whom a transcription into French tablature offers the chance to play and appreciate this music and tempt them to learn Italian tablature in order to explore the Italian repertory further by sight reading from the ever increasing number of online facsimile of Italian tablature sources.²

ARIA SARABANDA

The Sarabande, La Folia and Ciaccona⁴ are dance forms based on characteristic harmonic progressions that originated in sixteenth century Spain and Portugal or in their colonies. A dance called zarabanda is first mentioned in 1539 in Central America in the poem *Vida y tiempo de Maricastaña*, written in Panama by Fernando de Guzmán Mejía.⁵ The saraband then spread as a dance first in Spain and then in Italy becoming popular across Europe in the seventeenth century as a movement in suites for baroque lute and other instruments. However, an early form from the end of the sixteenth century is known from a number of settings of short variations on a variety of simple grounds for renaissance lute. Two settings by Piccinini (P4 and P9) and two others (S1 & S2) were in *Lute News* with concordant versions together with another half dozen related settings here. The style of the saraband was also imitated in a popular courante emanating from the French court and titled courante sarabande or similar - see below.

LA FOLIA

The 'folia' was a popular dance in Portugal that was sung and danced during civic festivals and courtly spectacles in the late fifteenth-century before any known sources of the music. However, the earliest description of the dance is Sebastian de Covarrubias' dictionary *Tesoro de la lengua castellana, o española* published in Madrid in 1611⁹ describing FOLIA as 'a certain Portuguese dance, with a lot of noise; Because there are many figures on foot with rattles and other instruments, they carry some disguised cattle on their shoulders, some boys dressed as maidens, who with their sleeves on end are doing turnstiles, and sometimes they dance. ... And they also play their rattles and the noise is so great, and the sound is so hurried, that they seem to be out of their minds: and they gave the dance the name of folia from the Tuscan word, Folle, which is worth vain, crazy, brainless, who has a vain head'.¹⁰ Like the sarabande, the folia spread to Italy and across Europe in the seventeenth century. Fifty or so settings mostly titled 'Folies d'Espagne' or similar are known for baroque lute and the chords to accompany the folia are included in another fifty or so 5-course guitar sources from the seventeenth century. The folia progression was known in England¹¹ and an anonymous setting for baroque lute is found amongst the lute music in an English manuscript (F13 here, also transcribed for renaissance lute) and the music was called for ('To a Spanish Tune, called Folias') to accompany a poem by Patrick Carey (*c.*1624-1657) beginning 'Cease t'exaggerate your anguish, Ye, who for the gout complain! Lovers, that in absense languish, Only know, indeed, what's pain'.¹²

The folia progression is highly variable between lute sources and is based on the same scale degrees as the Italian passamezzo antico ground (i-VII-i-V-i-VII-i/V-I) but reversing the second and fourth degrees (i-V-i-VII-III-VII i/V-i) with many variants and the addition of infilling chords. The commonest variants omit the first and/or sixth degrees and so can be identified by the prominent V-VII and VII-VII sequences. The folia ground is quoted as an ostinato bass in the *Fantasia que contrabaze la harpa e la manera du Ludovico*¹³ as well as three pavanas (Fapp 1-3 here) in the vihuela book of Mudarra 1546,¹⁴ and another pavana in Valderrabano 1547 (Fapp 4). All the other settings I know either of the folia or that quote the folia ground as a precursor form or variant for lute/ vihuela/archlute or chitarrone in vieil ton tuning are included here and three in *Lute News* (F1-26, the last two as incipits only as I do not have copies of the source).¹⁵ They are mostly titled Folia apart from F4 and F19 are called Aria and Aria spagnola and F11/13/16 are untitled. They are from sources copied or published in the seventeenth century (of which F24 in Kapsberger 1604 is one of the earliest) and a few are from the end of the sixteenth century (see F4/8/11 and probably F2/9). All but one (F18) are assumed to be lute (or vihuela) solos and are in several tonalities: G minor (F4-6/8/9/24), F minor (1-3/12/14-23/25), C minor (F7/10 /11/13/25), assuming a lute in G pitch. F18 is from an ensemble arrangement in F minor for three lutes (two chitarrone and a bass lute a fifth lower?) plus superius and bassus. Besard's ensemble

¹ See also F21a below, concordant enough with F21b to suggest it is an additional source of a work by Piccinini.

¹⁵ Also I-Fn Magl.XIX.30, f. 41v *Folias* - too incomplete to reconstruct, see illustration on next page.

pieces are problematical and I have not attempted to reconstruct a playable version of the one here. The titles Primer tono/bassus /soprano of F5/10/15 from Pl-Kj 40032, notated in G/C/F minor probably refer to different sizes of lute rather than suggesting they are parts of a lute trio. F21a may be by Piccinini as it is related to F21b from his 1623 print and is present in a manuscript copied in his home town of Bologna. This folia setting is sandwiched between two unascrbed concordances also from Piccinini's 1623 print. An untitled setting of the folia ground is also found in a lyra viol manuscript in Kassel (D-Kl Mus 4^o 108/II, f. 90r untitled) although not as tablature for lyra viol but a novel form of notation by pitch (see illustration on next page).

COURANT SARABANDE

Here are the twenty lute settings that I know of a courante arranged in

a wide diversity of different settings from a ballet de cour at the French court, probably the Ballet de la Reine staged in 1606. The A strain has little melodic interest so its apparent popularity and its title presumably derive from the typical sarabande pattern of the B strain in which a dissonant bass note on the last beat of a bar anticipates the next chord played on the first beat of the following bar (see CS1). The B strain is also known as a stand alone lute solo (see CSapp 5a-d) and CSapp 6 begins with a another sarabande-like A strain. However, the sarabande pattern is not clearly notated in all the lute arrangements, although the sources more-or-less follow the same melody and harmony of both strains and it is interesting to compare the many different ways it was arranged for lute from what must have been an original ensemble setting used for the baller performance. The A strain is also coupled with a different B strain lacking the sarabande pattern in other sources (e.g. CSapp 1-4), one of which is also titled courante sarabande.

APPENDIX

Three additional items from Italian manuscripts are included as page fillers. The first withan A strain based on the passamezo antico ground and a B strain on the romanesca ground. The other two are anonymous correntes from a manuscript that also contains music ascribed to V[incenzo] B[ernia] a lutenist from Piccinini's home town of Bologna.

P9e. Sarabande - 7F9C 4x8 bars

D-B Hove 1, f. 26v

Handwritten musical notation for a Sarabande, consisting of four systems of staves and rhythmic patterns.

System 1 (Measures 1-8): The first staff shows rhythmic patterns (vertical lines). The second staff contains a 3/4 time signature and notes. The third staff shows a sequence of notes and rests. The fourth staff shows a sequence of notes and rests. The system ends with a double bar line and a repeat sign.

System 2 (Measures 9-16): The first staff shows rhythmic patterns. The second staff contains notes and rests. The third staff shows a sequence of notes and rests. The fourth staff shows a sequence of notes and rests. The system ends with a double bar line and a repeat sign.

System 3 (Measures 17-24): The first staff shows rhythmic patterns. The second staff contains notes and rests. The third staff shows a sequence of notes and rests. The fourth staff shows a sequence of notes and rests. The system ends with a double bar line and a repeat sign.

System 4 (Measures 25-32): The first staff shows rhythmic patterns. The second staff contains notes and rests. The third staff shows a sequence of notes and rests. The fourth staff shows a sequence of notes and rests. The system ends with a double bar line and a repeat sign.

Measure numbers 1, 10, 19, and 26 are indicated at the start of their respective systems.

3

Handwritten musical score for a piece titled "Handwritten Musical Score". The score is written on a five-line staff and includes a key signature of one flat (B-flat) and a common time signature (C). The notation is a form of musical shorthand, using letters (a, b, c, d, e, f, g) and symbols (dots, lines, and vertical strokes) to represent notes and rests. The score is divided into measures by vertical bar lines. The first measure is marked with a "1" and the last measure with a "38". The score includes various musical notations such as notes, rests, and dynamic markings (e.g., "f", "ff", "fz"). The notation is a form of musical shorthand, using letters (a, b, c, d, e, f, g) and symbols (dots, lines, and vertical strokes) to represent notes and rests. The score is divided into measures by vertical bar lines. The first measure is marked with a "1" and the last measure with a "38". The score includes various musical notations such as notes, rests, and dynamic markings (e.g., "f", "ff", "fz").

Handwritten musical notation on a page numbered 13. The notation consists of rhythmic symbols (vertical strokes, beams, and flags) and letters (a, b, c, d, e, f, g, h, i, j, k, l, m, n, o, p, q, r, s, t, u, v, w, x, y, z) arranged in measures. The notation is organized into systems, with measures numbered 43, 50, 55, 61, 68, 75, and 82. The notation is written in a style that suggests a form of musical shorthand or a specific dialect of musical notation.

Measures 43-50: The notation begins with a series of vertical strokes and beams, followed by a measure containing the letters 'c a r d e a r'. The notation continues with various rhythmic patterns and letters.

Measures 50-55: The notation continues with rhythmic patterns and letters, including a measure with the letters 'e e c'.

Measures 55-61: The notation continues with rhythmic patterns and letters, including a measure with the letters 'a a a a a'.

Measures 61-68: The notation continues with rhythmic patterns and letters, including a measure with the letters 'a a a a a'.

Measures 68-75: The notation continues with rhythmic patterns and letters, including a measure with the letters 'a a a a a'.

Measures 75-82: The notation continues with rhythmic patterns and letters, including a measure with the letters 'a a a a a'.

The notation is written in a style that suggests a form of musical shorthand or a specific dialect of musical notation. The measures are numbered 43, 50, 55, 61, 68, 75, and 82.

Handwritten musical notation on a page numbered 14. The notation consists of staves with notes, rests, and various markings. The page is divided into measures, with measure numbers 92, 99, 106, 113, 120, 128, and 136 indicated on the left margin.

The notation includes various musical symbols such as notes (half notes, quarter notes, eighth notes, sixteenth notes), rests, and accidentals (sharps, flats, naturals). There are also markings like "echo" and "f" (forte) above certain measures.

The page is divided into measures, with measure numbers 92, 99, 106, 113, 120, 128, and 136 indicated on the left margin. The notation includes various musical symbols such as notes (half notes, quarter notes, eighth notes, sixteenth notes), rests, and accidentals (sharps, flats, naturals). There are also markings like "echo" and "f" (forte) above certain measures.

The notation is written on a series of staves, with some staves containing multiple lines of notes. The measures are separated by vertical bar lines. The page ends with a double bar line and a repeat sign.

The musical score is written on a grand staff with three systems. Each system consists of a single melodic line with various rhythmic and pitch markings. The first system (bars 1-5) starts with a treble clef and a common time signature. The second system (bars 6-10) continues the melody. The third system (bars 11-15) includes a key signature change to one flat. The fourth system (bars 16-20) continues the melody. The fifth system (bars 21-25) includes a key signature change to two flats. The sixth system (bars 26-30) continues the melody. The seventh system (bars 31-36) ends with a double bar line and a repeat sign. The score is written in a style that combines traditional musical notation with modern rhythmic and pitch markings.

Handwritten musical score for a single melodic line, likely for a flute or similar woodwind instrument. The score is written on a single staff with a treble clef and a key signature of one flat (B-flat). The tempo is marked 'Allegretto' and the time signature is 3/8. The score is divided into measures by vertical bar lines, with some measures containing multiple notes or rests. The notes are primarily eighth and sixteenth notes, with some quarter notes. The rests are indicated by a 'z' symbol. The score is numbered 1, 11, 20, 30, 39, and 48, corresponding to the measures. The final measure of the score is marked with a double bar line and a fermata.

151

Handwritten musical notation for measures 157-162. The notation consists of a series of vertical lines (stems) and horizontal lines (beams) with various symbols (accents, dots, and letters) indicating pitch and rhythm. The notation is written in a shorthand style typical of early manuscript notation.

41

The musical score is written for a three-staff system, likely representing a lute or similar fretted instrument. The notation includes various rhythmic values (c, d, b, a) and accidentals (sharps, flats, naturals). The score is divided into measures, with some measures containing multiple notes or rests. The key signature is one flat (B-flat). The time signature is 3/4, indicated by a large '3' in the first measure of the first system. The score is divided into systems, with measure numbers 9, 17, 24, 31, 38, and 45 marking the beginning of new systems. The notation includes various rhythmic values (c, d, b, a) and accidentals (sharps, flats, naturals). The score is divided into measures, with some measures containing multiple notes or rests. The key signature is one flat (B-flat). The time signature is 3/4, indicated by a large '3' in the first measure of the first system. The score is divided into systems, with measure numbers 9, 17, 24, 31, 38, and 45 marking the beginning of new systems.

This musical score is for a piece titled "Folia" for chitarrone, identified as F20a. It consists of 32 measures, organized into four systems of eight measures each. The notation is written on a six-line staff, with various rhythmic values (semibreves, minims, crotchets, quavers) and accidentals (sharps, flats, naturals) indicating the pitch and timing. Above the staff, there are numerous vertical lines and symbols, likely representing fingerings or specific techniques for the chitarrone. The score is divided into four systems, each starting with a measure number (1, 7, 12, 18, 24, 28, 31) and ending with a measure number (8, 10, 8, 10, 9, 8, 7, 7). The notation is complex, with many notes beamed together and various accidentals, suggesting a highly technical and expressive piece.

Handwritten musical notation on staves, including notes, rests, and fingerings. The notation is in a simplified, shorthand style, likely for a specific instrument or as a mnemonic device. The notes are often written as letters (a, b, c, d, e, f) with stems and flags, and are frequently grouped with vertical lines. Fingerings are indicated by numbers 1-5. The piece is divided into measures, with measure numbers 64, 68, 72, 78, 83, 87, and 91 marked at the beginning of their respective systems.

100

106

108

110

111

The musical score is written in a 3/8 time signature. It consists of 34 measures, divided into systems of 8 bars each. The notation includes a large '3' at the beginning of the first system, indicating a triplet. The score is divided into systems of 8 bars each, with measure numbers 10, 7, 8, 7, 8, 9, 10, 10, 7, 8, 7, 10, 7, 8, 12, 10, 7, 17, 10, 23, 10, 7, 29, 7, 8, 9, 10, 11, 10, 7, 34, and 10 marked below the staves.

[illegible]

Handwritten musical notation on a page numbered 66. The notation consists of staves with notes, rests, and various musical symbols. The notes are written in a stylized, handwritten font, often with diacritics like 'a', 'b', 'c', 'd', 'e', 'f', 'g', 'h', 'i', 'j', 'k', 'l', 'm', 'n', 'o', 'p', 'q', 'r', 's', 't', 'u', 'v', 'w', 'x', 'y', 'z'. The staves are numbered 71, 77, 83, 87, 92, 97, and 101. The notation includes various musical symbols such as clefs, bar lines, and dynamic markings like 'af' and 'ff'. The notes are often grouped together, suggesting a specific melodic line or a complex rhythmic pattern. The overall style is that of a handwritten musical score, possibly for a specific instrument or voice part.

Measures 1-7 of the piece. The notation is in 3/4 time and features a complex rhythmic pattern with many triplets and sixteenth notes. The key signature has one flat (B-flat). The notation is written on a grand staff with a treble and bass clef. The notes are mostly eighth and sixteenth notes, with many triplets indicated by a '3' over the notes. The piece is in a sarabande style, characterized by a slow, graceful movement.

Measures 8-13 of the piece. The notation continues the complex rhythmic pattern with many triplets and sixteenth notes. The key signature has one flat (B-flat). The notation is written on a grand staff with a treble and bass clef. The notes are mostly eighth and sixteenth notes, with many triplets indicated by a '3' over the notes. The piece is in a sarabande style, characterized by a slow, graceful movement.

Measures 14-19 of the piece. The notation continues the complex rhythmic pattern with many triplets and sixteenth notes. The key signature has one flat (B-flat). The notation is written on a grand staff with a treble and bass clef. The notes are mostly eighth and sixteenth notes, with many triplets indicated by a '3' over the notes. The piece is in a sarabande style, characterized by a slow, graceful movement.

Measures 20-25 of the piece. The notation continues the complex rhythmic pattern with many triplets and sixteenth notes. The key signature has one flat (B-flat). The notation is written on a grand staff with a treble and bass clef. The notes are mostly eighth and sixteenth notes, with many triplets indicated by a '3' over the notes. The piece is in a sarabande style, characterized by a slow, graceful movement.

Measures 26-32 of the piece. The notation continues the complex rhythmic pattern with many triplets and sixteenth notes. The key signature has one flat (B-flat). The notation is written on a grand staff with a treble and bass clef. The notes are mostly eighth and sixteenth notes, with many triplets indicated by a '3' over the notes. The piece is in a sarabande style, characterized by a slow, graceful movement.

Measures 33-38 of the piece. The notation continues the complex rhythmic pattern with many triplets and sixteenth notes. The key signature has one flat (B-flat). The notation is written on a grand staff with a treble and bass clef. The notes are mostly eighth and sixteenth notes, with many triplets indicated by a '3' over the notes. The piece is in a sarabande style, characterized by a slow, graceful movement.

Musical score for Sarabanden 2, measures 1-50. The score is written in a 3/4 time signature and features a complex melodic line with many accidentals and a bass line with various notes and rests. The notation includes many slurs, ties, and dynamic markings like 'f' and 'i'.

Measures 1-8: Introduction with a 3/4 time signature. The melody starts with a series of eighth notes, followed by a series of quarter notes. The bass line consists of a single note 'a' in the first measure, followed by a series of quarter notes.

Measures 9-16: The melody continues with a series of eighth notes, followed by a series of quarter notes. The bass line consists of a single note 'a' in the first measure, followed by a series of quarter notes.

Measures 17-24: The melody continues with a series of eighth notes, followed by a series of quarter notes. The bass line consists of a single note 'a' in the first measure, followed by a series of quarter notes.

Measures 25-32: The melody continues with a series of eighth notes, followed by a series of quarter notes. The bass line consists of a single note 'a' in the first measure, followed by a series of quarter notes.

Measures 33-40: The melody continues with a series of eighth notes, followed by a series of quarter notes. The bass line consists of a single note 'a' in the first measure, followed by a series of quarter notes.

Measures 41-48: The melody continues with a series of eighth notes, followed by a series of quarter notes. The bass line consists of a single note 'a' in the first measure, followed by a series of quarter notes.

Measures 49-50: The melody continues with a series of eighth notes, followed by a series of quarter notes. The bass line consists of a single note 'a' in the first measure, followed by a series of quarter notes.

77

Musical score for "The Rose Tree" in G major, featuring a treble and bass staff with a piano accompaniment. The score includes a key signature of one sharp (F#) and a common time signature (C). The melody is in the treble staff, and the piano accompaniment is in the bass staff. The score is divided into four measures, with a repeat sign at the end of the first measure. The melody consists of eighth and sixteenth notes, while the piano accompaniment features a steady eighth-note bass line and chords in the right hand.
